

## Bob Torok

- It can easily be said that without Bob Torok there might be no senior softball in Mishawaka---for years, eschewing the title, he functioned as Commissioner, utilizing a Steering Committee concept of managers to help him organize and run the league, along with his partner, Marty Wiese
- Bob's easy-going personality and gregarious nature made him a natural "glue" for holding the league together
- Bob and Marty Wiese not only directed the league but also secured and installed the original scoreboard. The partnership of these two men made a legacy that created certainty that the league would be there for senior players for years to come
- When measuring passion for softball, Bob Torok has to be rated at or near the top among all participants
- A left-handed hitter Bob had some power and hit sizzling line drives
- The "Torok shift", invented by opponents, robbed Bob of numerous career hits, nevertheless he contributed well to the teams on which he played
- Bob played various positions but probably made his greatest contributions as a pitcher and a second baseman
